FISH DEALER
MAY BE MERCHANT

AKANA ALLOWED TO LAND UNDER DECISION BY DEPARTMENT OF COMMERCE AND LABOR.

A decision by Secretary Cortelyou of the Department of Commerce and Labor has been received by Immigration Commissioner J. K. Brown, in the case of Chu Kin, known as Akana, who was detained on returning from China recently, on the ground that he was a dealer in fish and not a merchant. Akana took out papers which represented him as a merchant, on leaving here to visit China, but on returning he was held up under a clause of the law which provides that anyone engaged in taking, drying or selling fish shall be considered a laborer.

Akana's business was the employment of a small fleet of fishing boats and he did not personally do any fishing. The department holds that he is a merchant within the meaning of the law, and he is therefore free to land. His case is believed to have been the first one of the kind to come up under the exclusion laws.

PAPAALOHA WINS.

Warm Game of Base Ball Between Papaaloa and Paauilo.

The base ball match last Sunday on the new diamond at Laupahoehoe between the Papaaloa team and the Paauilo team was witnessed by a big crowd. The game was lively from start to finish and despite the inclemency of the weather excellent playing was done by both sides. The new grand stand is quite an acquisition and held a merry crowd.

The newly organized Paauilo team did some very clever playing and carried the honors for the first three innings, but the excellent work of the local team won the game amid great enthusiasm and carried the honor of the day.

In the evening an elaborate banquet was served in the beautifully decorated pavilion under the auspices of the Papaaloa team and the many good things were enjoyed by a large number of guests.

The singing of the Honokaa and Paauilo vocalists was especially good. The Papaaloa team has accepted a challenge from the Pepeekeo boys, and the game will take place on the grounds at Pepeekeo, Sunday, January 31.—Hilo Tribune.

BURNED TO DEATH.

Mrs. Clara Lounsbury, a former resident of Honolulu, was burned to death at the home of her father, W. H. Wagner, in San Francisco on Saturday, January 9. The evening being cool, Mrs. Lounsbury was building a fire in the parlor grate, when her dress caught fire and she was burned so badly that she died within three or four hours. There was nobody in the house but herself when the accident happened, and the unfortunate woman's screams brought neighbors to her assistance all too late.

Mr. Wagner buried his daughter at Stockton. In a letter to Sam McKeague, an old friend here, he says he is heart-broken, Clara having been all he had left. Mr. Wagner will be remembered as the manager of the People's Ice Works here for some time. Mrs. Lounsbury obtained a divorce from her husband in Honolulu.

RIOT IN SEOUL.

Associated Press, Morning Service. SEOUL, Korea, January 25.—A dangerous riot broke out here yesterday from an accidental cause. There was an accident on the American express railway, in which a Korean was killed. The native populace, which retains the prejudice against the American innovation of rapid transit that caused them to wreck cars when the line was started a few years ago, immediately began rioting to avenge the death of their countryman. The riot was promptly quelled by the guards of the various legations, which have lately been reinforced in anticipation of trouble under the disturbed situation. In the meantime the Korean soldiers and police took occasion to loot the houses of wealthy natives at Yenz-yang.
